

## Accessing & Understanding Student Grades on Skyward

- Login under Student or Family Access
- Click **Gradebook**
- At the top of the page, you will see a list of your student's Missing Assignments. If a student has no missing assignments, this section will be blank.
  - ◆ Click the assignment for the description. This should include where to find the assignment so they can complete it.
- Listed next to each class is the overall grade for the class. Your students' gradebook will look similar to the example shown below.
  - ◆ **4** = Advanced **3** = Proficient **2** = Approaching Proficient **1** = Emerging **0** = No Evidence
